Hotel Accommodations for the Florida Conference of Historians

48th Annual Meeting

Hosted by Florida Gulf Coast University

Fort Myers, Florida

Sessions will take place at the Harborside Event Center in downtown Fort Myers. A very limited number of hotel rooms at the government employee's rate of \$133.00 are available at the Hotel Indigo located about 2 blocks from the Event Center. An equally limited number of government rate rooms are available at the Holiday Inn Historic District, located about one mile from the Event Center, at \$133.00 per night. The regular rate for FCH attendees at the Holiday Inn is \$175.00. The Holiday Inn will provide free transportation to and from the Event Center. Rooms at the Indigo and the Holiday Inn must be reserved by January 27th to qualify for the conference rate, and the FCH government employees rate will probably sell out much earlier.

The spring semester is the peak of tourist season in Fort Myers, when hotel rates are at their highest, and it can sometimes be difficult to get rooms at all, so it is highly advisable to reserve well in advance.

The Best Western Waterfront, on the north bank of the Caloosahatchee River, about 1 1/2 miles from the Event Center, is offering a conference rate of \$159.00 if reserved by Dec. 30th. No transportation will be provided from the Best Western to the Event Center.

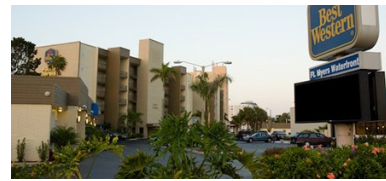

The regular rate at the Indigo for FCH attendees is \$245.00.

The Indigo is a new boutique hotel located in the heart of the Fort Myers scenic river district. It features over-sized guest rooms, a rooftop pool, a lounge, spa, an elegant martini lounge, and exquisite restaurant.

The Holiday Inn Downtown Historic District features fully renovated rooms, a business center, high-speed wireless Internet access in public areas, and the Cafe 2431 restaurant.

The Best Western Waterfront features rooms with private balconies overlooking the Caloosahatchee River, high-speed Internet access, a heated outdoor pool and sun deck, and Pincher's Crab Shack, a restaurant and lounge right on the river.
